Business recommendation Letter for Exponential Brilliance Financial & Business Consultants

We are writing this letter to you as a recommendation for the services provided by Exponential Brilliance Financial & Business Consultants.

For the past few years we have worked hand in hand with Exponential Brilliance to assist us with numerous services including payroll, SARS and in the Covid 19 pandemic with the TERS applications. Not once they have failed me, and they have always been on time, making them a reliable partner to us.

My first engagement with Exponential Brilliance was with impression that they are a company with excellent services. The company brought along good expertise and experience.

I would like you to consider Exponential Brilliance for any of your financial service needs. I have had a good experience with them over the past few years for the services they have rendered to us.

Therefore I strongly recommend Exponential Brilliance Financial & Business Consultants.

Yours Sincerely,

Past. Hennie Maritz
